

Quarter 1 ~ Chapters 1, 2 and 3

Quarter 2 ~ Chapters 4 & 5

Quarter 3 ~ Chapters 6, 7 and 8

Quarter 4 ~ Chapter 9,
Probability & Data, and Radicals

ONLINE TEXTBOOK & RESOURCES:

1. Go to
<http://www.classzone.com/cz/validate.htm>
2. Type in the following activation code:
4191559-30
3. Create a Student Account—this then takes you to "classzone.com"
4. Click on "Math" - HIGH SCHOOL, select "Missouri" and then click "GO".
5. Select our Textbook which is "Algebra 1, 2011". Now you can find:
 - A. Help with math—home tutor, power point presentations, video tutor with practice.
 - B. Practice, practice, practice—online Workbook to practice problems
 - C. Games and Activities
 - D. Animated Math—engaging problem solving animations with support lessons and exercises.
 - E. Quick Reference
 - F. Assessment—samples to practice Test taking
 - G. ONLINE BOOK

A message for Mom and Dad:

Hello Parents! Thank you for sharing your child with me. I am looking forward to the school year and all we will accomplish! Here's a little bit about myself.

Originally from the Chicago area, I grew up loving sports and spending time outdoors camping and fishing. I worked to be a good student and eventually earned scholarships in academics, sports, and the arts at Olivet Nazarene University.

After graduating in 2002, I spent 6 years teaching in the inner-city for the Chicago Public Schools. I brought those experiences with me to Parkhill in 2008 and am now entering my 13th year as an educator.

My desire is to help students develop their independence as learners so that they will be prepared to think for themselves and have the confidence to tackle any task or goal they pursue. It is fascinating to see young minds work in different ways to solve problems and unlock solutions. I am excited to work with your child to learn their unique learning style and help them accomplish something they can be proud of in this class.

What do I need for class?

EACH DAY you will need:

- POSITIVE ATTITUDE
- Algebra Book
- Organized Algebra Binder
- Pencils and Grading Pen
- Paper and Calculator
- Planner

Class Rules

1. Have a positive attitude.
2. Read board & Fill out Planner.
3. Pay Attention & Take Good Notes
4. Ask Questions!
5. Use Class Work Time Wisely!
6. Complete ALL Homework!
7. Make Corrections.

Assignments/Assessments:

- You will have homework every night. The amount of problems will depend on the assignment. Worksheets will be used to reinforce skills learned throughout the book. Late Work will reduce your homework Score.
- Each homework assignment will be worth a total of 3 points. In order to earn a 3, your assignment must be on time, completed in its entirety, work must be shown and corrections need to be made when grading.
- For every chapter you will have a test. The day before the test we will have a practice test, which will help you to prepare for the final test. Studying for Algebra tests is very important!
- Quizzes cannot be retaken. You can retake a test after completing an extensive review and checking with Mr. C. You will then have to schedule a time to retake either before school or during Life Ed.
- Class Notes/Assignments can be found on the team website.
- You will be taking a cumulative End of Semester Test at the conclusion of Quarters 2 and 4.
- You will be taking the Acuity Test for 8th Grade Math Concepts Quarters 1, 2 and 3.

Grades:

Academic Practice (Homework) = 20%
Academic (Assessments) = 80%

Check Grades at:

<http://powerschool.parkhill.k12.mo.us>

Attendance / Tardy Policy:

- Absences will be checked by the seating chart daily. If you are not in your seat when the bell rings you are considered TARDY.
- We are moving at an accelerated pace for Algebra. It is important that you try to be there for every class. It is YOUR responsibility to see me for any missed work/notes and to turn in any assignments that were due on the day(s) you were absent.
- I will follow the school's Tardy Policy in my class. For a copy of this policy, you can see the student handbook.
